

# CAMPAIGN PRIORITY: STUDENT SERVICES

As we continue to support students in the classroom through scholarships, it is equally important that we enrich their co-curricular experiences by providing programs and services that foster career and professional development; community, citizenship, and leadership; and wellbeing. Here are a few highlights of philanthropic impact from the 2015-16 academic year.

## Career and Professional Development

**27,019**

students and alumni engaged with Career Services (career coaching, student employment, career workshops, and employer events)

GW ranked #1 for internships by Princeton Review in 2015 and 2016

### Knowledge in Action Career Internship Fund (KACIF)

- \$132,000 awarded to 81 undergraduate, graduate, and professional students
- Since the inception of KACIF in summer 2013, the program has received 862 applications, of which approximately 30 percent have been funded, totaling \$449,000

## Community, Citizenship, and Leadership

### Pre-semester Adventure Bound Programs

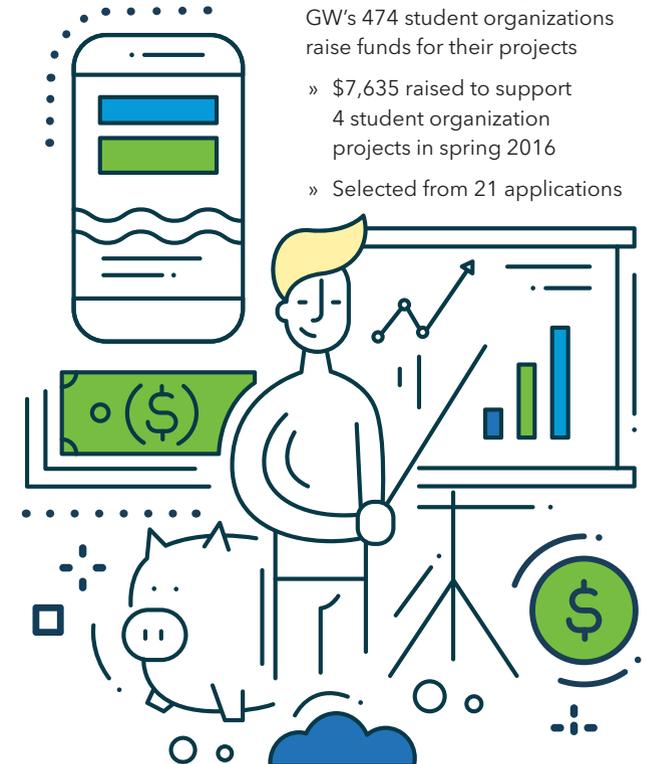

- 105 participants on 6 trips, including GWilderness, Whitewater, Ocean, Appalachian Trail-McAfee Knob, Shenandoah, and Harpers Ferry
- Have reduced costs to students by 68 percent since 2012 to support GW's commitment to inclusion

### Military and Veterans Student Services

- 1,800+ students with military backgrounds, including veterans, active-duty individuals, reservists, ROTC students, and dependents

### Student Organizations

- Colonial Crowdfunding to help GW's 474 student organizations raise funds for their projects
  - » \$7,635 raised to support 4 student organization projects in spring 2016
  - » Selected from 21 applications

## Wellbeing

### 2015-16 Colonial Health Center Visits

Medical Services:

**25,474**

Mental Health Services:

**9,675**

### Ronald W. Howard Student Assistance Fund

- Offers financial assistance to students who incur unexpected expenses that they cannot cover, including providing a ticket home to see a dying parent, a warm coat during a harsh winter, or those last few textbooks

22 AWARDS  
TOTALING  
**\$39,700+**

### Collegiate Recovery Program

- Programming, services, space, staffing, and a student organization to support an estimated 400+ students in recovery from mental health disorders, including substance use, eating disorders, depression, post-traumatic stress, and others

### The Store: GW's Food Pantry

- Opened in District House in fall 2016 as a resource for the approximately 25 percent of students who reported not having enough to eat on a weekly basis
