1. What is the context for your trip? (Assessing Your Organization)
   - Why are you going?
   - Who is setting your direction?
   - What will help you get going?
   - What will slow you down?

2. How will you get on the road? (Making an Assessment Vision a Reality)
   - How will you choose your passengers?
   - How will you select your route?
   - How will you start production?

3. How will you document and reflect on your trip? (Celebrating Successes and Lessons Learned)
