Summary:
The Graduate Fellow with the Division of Student Affairs (DSA) Planning and Outreach Team provides project management for assessment initiatives in DSA and serves on and supports the DSA assessment committee to promote a culture of continuous improvement and data-driven decision-making in the division. The Graduate Fellow may also assist with and support other DSA planning and outreach team projects and responsibilities related to communications, development and alumni relations, and the Presidential Administrative Fellowship program.

Characteristic Duties and Responsibilities:
- Provide project management for assessment initiatives in the Division of Student Affairs (DSA) to promote continuous improvement and data-driven decision-making.
  - Interface with DSA units and staff members and other internal university offices and stakeholders to identify, confirm, and advise on assessment needs and activities.
  - Design and implement quantitative and qualitative assessment activities, including surveys, focus groups, and benchmarking for DSA units.
  - Perform statistical and other analysis on the results of assessment activities. Develop written reports and presentations to communicate the results of those activities.
  - Coordinate and/or assist with DSA departmental program reviews.
- Serve on and support the DSA assessment committee to build a culture of assessment within the division.
  - Actively participate in committee meetings and activities.
  - Conduct, analyze, and present research and findings to advance the work of the committee, especially with respect to benchmarking of best practices on assessment in student affairs.
  - Contribute to the committee’s staff assessment staff training efforts, particularly by co-facilitating workshops and virtual resources to enhance the development of assessment knowledge and skills among DSA staff.
  - Serve as a departmental assessment liaison between the assessment committee and DSA departments to guide and support development and utilization of divisional assessment tools such as dashboards and the assessment-strategic matrix.
  - Support the administrative functioning of the committee, including meeting logistics and communications through note taking, agenda development, calendar coordination, and list-serv management.
- Assist with and support other DSA planning and outreach projects and responsibilities related to communications, development and alumni relations, and the Presidential Administrative Fellowship program.
• Perform other work-related duties as assigned, including but not limited to, participating in and supporting Division of Student Affairs special events and activities, and representing the division as an ambassador at university-wide events and activities.

**Required Qualifications:**
• Enrollment as a graduate student in good academic and disciplinary standing in a GW degree-granting graduate program (master’s, doctoral, or professional) for the entire period of employment.

**Desired Qualifications:**
• Experience with developing, implementing, analyzing, and reporting on quantitative and qualitative assessment activities, including surveys, focus groups, and benchmarking.
• Administrative and organizational capacity and attention to detail and the ability to simultaneously manage diverse, often unrelated projects.
• Strong written and verbal communication and critical thinking skills.
• Technical skills, particularly with SPSS, R, or other statistical analysis software, Survey Monkey or other survey/assessment management systems, Drupal or other web content management systems, WhatCounts or other listserv/newsletter management systems, Tableau or other data visualization tools, and Microsoft word processing, presentation, and spreadsheet software, along with the ability to learn and utilize other systems, applications, and tools.
• High level of energy and motivation, especially for assessment and continuous improvement.
• Experience with project and event management, marketing, and program administration and evaluation.
• Appreciation for, and preferably experience with, working in a collaborative, team-oriented environment while also having the ability to take initiative and work independently.
• Willingness to be flexible and navigate ambiguity.

**Supervision Received:**
• Administrative and functional supervision is provided by the Executive Director of Planning and Outreach. Other Planning and Outreach staff members provide project-specific supervision as well as ongoing guidance and mentoring opportunities.

**Renumeration:**
• A wage of $15 per hour worked for approximately 20 hours per week of work during the fall and spring semesters, from mid/late August through mid/late May. The position may also continue during the summer at the same hourly wage upon the mutual agreement of the Graduate Fellow and the Planning and Outreach team.
• Extensive training, professional development, and mentoring opportunities and hands-on professional experience to compliment nearly any graduate degree program.
