- About You

Please direct attendees to take out their mobile device to check email for evaluation. If they do not have it, they should get an evaluation from the staff.

Please review and provide verbal examples of the different types of impact.

I have learned more about myself.
e.g., who I am, what I am interested in, what I have to offer employers.

I have learned more about connecting with employers.
e.g., meeting employers directly or learning more about how to meet with employers and apply for jobs/internships

I have learned more about how to be a professional.
e.g., presenting myself professionally, developing a professional persona to make a successful and smooth transition from campus to career

If you want specific comments about the content, the presenter, or format, or if you have ideas for other programs or services please include that in the Comments and Ideas section

The final section is more information about you. This will give us more information about how the program impacted different attendees or allow us to follow with you if we want more information on your comments and ideas.

You have three options:
1. Provide your GWID
2. Only provide your school/major, degree level, and expected graduation year.
3. Leave the section blank – anonymous
